

## PRESS RELEASE

**Sintesi Business Network**, as Cypriot-Italian Business Association, organized a Business Conference entitled "**DOING BUSINESS IN SHIPPING – A LANDMARK FOR CYPRIOT-ITALIAN BUSINESS AND COMMERCIAL RELATIONS**" which will be held on **May 29th**, from 9:30 AM to 6:30 PM, in **Limassol (CY)**.

The event directly organized by the General Secretary **Giuseppe Marino**, in cooperation with the **Cyprus Shipping Chamber**, will be attended by the **Deputy Minister of Shipping H.E. Natasa Pilides** and by the **Italian Ambassador in Cyprus H.E. Andrea Cavallari**, as well as representatives of some of the most important Italian and Cypriot companies in the sector.

The program, after the institutional greetings, foresees, in the morning, the conference with the **presentations** of qualified speakers who will provide an overview on the sector and on the opportunities for commercial exchange with Italy and in the afternoon **BtoB** meetings for the operators to be booked at the conference registration.

After the events organized in Italy this is the first one organized in **Cyprus** by **Sintesi** in the context of the **2019** programming and the decision to start with the **Shipping** sector has not been causal considering its great importance in the development of **commercial relations** between the two countries.

**Sintesi Business Network**, born as international association particularly focused on research, study and analysis of legal and tax matters in international corporate consulting area has oriented later its focus on the promotion and development of economic, commercial and professional relations between **Italy** and the **Republic of Cyprus**, consolidating its presence as **Cypriot-Italian Business Association**.
